-----

CANTOR FITZGERALD & CO. et. al.,

Plaintiffs,

-against-

AMERICAN AIRLINES, INC. and AMR CORP.,

Defendants.  
----- X

**ORDER REGULATING DISCOVERY  
(CMO 2012 #1)**

21 MC 101 (AKH)

04 Civ. 7318

ALVIN K. HELLERSTEIN, U.S.D.J.:

On March 6, 2012, I held a status conference with the parties in the above-captioned litigation to discuss the next steps of the case, now that the automatic stay in the bankruptcy of Defendant AMR Corp. and American Airlines, Inc. (collectively "American Airlines") has been lifted. Discovery shall proceed in the following manner:

1. My order and opinion of January 19, 2011 required Cantor Fitzgerald to file an amended damages claim by February 28, 2011 (later extended to March 24, 2011), consistent with my order. Cantor Fitzgerald stated that it had timely served an adjusted damages claim of between \$464,000,000 and \$489,000,000. It shall file a copy of its damages report with the Court promptly.
2. By March 31, 2012 Cantor Fitzgerald shall produce to American Airlines all books and records relating to damages naturally and probably flowing from the

destruction of Cantor Fitzgerald's property in the terrorist attacks of September 11, 2001.

3. American Airlines may take reasonable and necessary depositions related to these books and records, to the extent information cannot readily be proved by the books and records alone.
4. Cantor Fitzgerald may proceed to take the depositions of those American Airlines employees and former employees specified during the status conference, limited to the matters specified in the conference. It may also take the deposition of the one FAA employee specified during the conference, and must comply with the rule established by United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951).
5. All fact discovery must be completed by June 8, 2012.
6. The next status conference will take place on June 20, 2012 at 2:30 p.m. in Courtroom 14D.

SO ORDERED.

Dated:

March *H*, 2012  
New York, New York

  
ALVIN K. HELLERSTEIN  
United States District Judge
