-against-

Defendant(s).

---

To the Clerk of Court:

Please take note that the court-ordered mediation in this case was:

1. Held and agreement was reached on all issues. The judge may wish to issue a “30 day order” under which the case is automatically closed in 30 days unless a party seeks to re-open the matter.
2. Held and agreement was reached on some, but not all, issues.
3. Held and agreement was reached as to some, but not all, parties.
4. Held but was unsuccessful in resolving any issue in the case. The Mediation Unit will consider the referral to be completed and close its files at this time but the judge may re-refer parties to mediation at any point.
5. Not held as parties represent that they have reached settlement on all issues. The judge may wish to issue a “30 day order” under which the case is automatically closed in 30 days unless a party seeks to re-open the matter.
6. Not held as a stipulation settling all of the issues of the case was entered into prior to mediation.
7. Not held as one or both parties failed, refused to attend, or refused to participate in the mediation.
8. Not held as the case was removed from mediation by the judge.

**Additional Comments (eg. Parties to file stipulations of dismissal, or dismissals of individual parties or claims, or parties request that the judge issue an order of longer duration than 30 days.):**
