

Model Certification Regarding Use of Artificial Intelligence in Filings

Case Name: _____

Case Number: _____

I, _____ [print name], certify as follows with respect to the filing submitted on _____ [date]:

☐ I DID NOT use any artificial intelligence tool in preparing this filing.

☐ I DID use an artificial intelligence tool in preparing this filing.

If I did use an artificial intelligence tool in preparing this filing, I further certify that:

1. The tool was used in the following way: _____

2. ☐ I personally reviewed the filing for accuracy.

☐ I did not personally review the filing for accuracy (failure to do so violates the Court's Rules).

3. If I reviewed the filing, the steps I took to verify the accuracy of all cited legal authorities and factual assertions generated by the artificial intelligence tool are:

I understand that I remain individually responsible for verifying the accuracy of any output produced by an artificial intelligence tool, and that failure to comply with the Court's Rules may result in the filing being stricken.
