

Model Certification Regarding Use of Artificial Intelligence in Filings

Case Name: _____

Case Number: _____

I, _____ [print name], certify that, with respect to the filing submitted in this case on _____ [date] and titled _____, I used an artificial intelligence (“AI”) tool in preparing the filing.

I further certify that:

1. ☐ I personally reviewed the filing for accuracy.

☐ I did not personally review the filing for accuracy (failure to do so violates the Court’s Rules).

2. If I reviewed the filing for accuracy, I took the following steps to verify the accuracy of all cited legal authorities and factual assertions generated by the AI tool:

I understand that I remain individually responsible for verifying the accuracy of any output produced by an AI tool, and that failure to comply with the Court’s Rules may result in the filing being stricken and/or the imposition of sanctions.
